For all works in our MATLAB code bundles are marked with the following license information. We have not found the appropriate license. Location This License file is located in the following location. This file can be viewed with. The program is intended to allow researchers to use the latest versions of MATLAB, Simulink, and other related tools. Various licenses are available, depending on the tools installed. The Simulink Professional License (SLPL) is available for students, instructors, and companies that want to use Simulink and MATLAB in a classroom or corporate environment. The standard Personal License (PSL) is for students, teachers, and companies who want to use MATLAB for personal projects. Standard Academic Licensing (SAL) is for academics, researchers, and institutions that want to use MATLAB for their research projects. MATLAB for the Solution Developer License (SDRL) is for developers that need to use MATLAB for their custom developed solutions. The MATLAB License (ML) is for individuals that are authorized to use MATLAB. We have not found the appropriate license for this work. Installation Instructions The Simulink Student Suite is an optional installer for MATLAB and Simulink. For more information on how to install the Simulink Student Suite, see installation section in this document.
